

Dr. Heiko Visarius

After 25 years of a career in major Life Science companies (Depuy-Synthes / J&J, Medtronic), Heiko started his own company in 2012. Besides being a sought-after coach for Innosuisse, the EU (EIC) and others, he is active in consulting mandates, holds 7 board mandates (incl. ZKB Startup P/E fonds), serves on numerous jury and expert panels and is co-organizing and moderating meetings such as Swiss Medtech Day, UBS BA event, Roche Startup-Day, Medtech Innovation Event et al.

Heiko is a vivid networker in the field of Life Science and has strong personal relations to investors, strategic players, hospitals and other in the field. See his LinkedIn profile for an overview.
